VOLUME XXXIII

OCTOBER 1916

NUMBER 4

EDITORIAL

THE present number of THE CHIRONIAN, as is readily seen, has been given over to the publication of the Directory of the Alumni of the New York Homeopathic Medical College and Flower Hospital. The directory has been carefully compiled, although there are doubtless many errors that may be found throughout. These errors are not due to those who have worked hard and untiringly on behalf of this directory, but rather to the fact that it is impossible to gather all the information in correct terms. Dr. House and Dr. Dearborn, to whom must be given great credit for the burden of work done, were unable to gain any information beyond that gratuitously given. These gentlemen, as well as the balance of the Committee and all who co-operated are deserving of the hearty thanks of all who find interest in the publication of the Directory.

The appended list, which is not a very large one, is a record of names, the addresses of which are wanted. Any information regarding it, any entry concerning any name on this list will be appreciated, and may be sent to Dr. House, Flower Hospital, New York.

THE CHIRONIAN readers are advised that the November issue will be one of unusual interest and we trust will be looked forward to by *all*.
